

Thank you for your interest in supporting our organization. New Jersey High School Rodeo Association (NJHSRA) is a nonprofit (501-C-3 certified) organization with the goal of promoting the sport of rodeo and the highest code of conduct and sportsmanship, all while exhibiting a positive image of rodeo and the western way of life. The organization fosters family bonding, education and the highest regard for the athletes which includes our livestock. We are in our fifth year and are part of the National High School Rodeo Association.

Our contestants' range in age from Kindergarten through High School. There is a strong emphasis on education and all of our contestants must maintain a passing grade in 70% of their classes throughout the year and are required to show proof of grades.

We are looking for businesses in NJ that would like to join us in supporting the contestants of NJHSRA. This can be accomplished by donating towards rodeo expenses, year-end awards, or travel expenses for the finalists to attend the Jr. High and National High School rodeo finals, that will take place in Georgia and Wyoming, respectively.
